(S) Scientific article
(Sp) Special article
(W) Worth Repeating (reprints from other sources)

Pages in Each Issue

January	1-64
February	65-120
March	121-198
April	199-262
May	263-326
June	327-382
July	383-492
August	493-546
September	547-604
October	605-668
November	669-716
December	717-764

—A—

ACOUSTIC NEUROMA Early diagnosis of acoustic neuroma. Gorman WF (S), 283

ACQUIRED IMMUNE DEFICIENCY SYNDROME (AIDS)
- Adolescents and AIDS prevention. Johnson J (A), 735
- AIDS alert generates mass of regulations (N), 33
- AIDS dominates year full of medical advances (N), 91
- AIDS protection: best bet for safe sex is low-risk partner (N), 357
- AIDS transmission more than a numbers game (N), 97
- Chancroid emerging as factor in AIDS spread? (N), 98
- Clinical features of HIV infections. Mahanty S, Fine DP (A), 291
- Doctors, teachers, and AIDS. Johnson MR (E), 131
- HIV infections become reportable on June 1 (N), 295
- HIV reporting in Oklahoma: guidelines for physicians and answers to common questions. Leavitt, JK, Harkess J, Istre GR (A), 521
- HIV testing, counseling fall short of the mark (N), 161
- Hospitals' HIV testing policies vary widely (N), 296
- Human retroviruses and AIDS. Gilcher RO (A), 159
- Infection control measures for human immunodeficiency virus (HIV): universal precautions. Rettig PJ (A), 575
- MD says get out of kitchen if you can't stand the heat (N), 35
- Meaning of HIV test result varies with donor's history (N), 359
- Modes of transmission of the human immunodeficiency virus. Istre GR (A), 355
- Office management of the HIV-positive patient. Potts DW, Westerman EL, Hutton JP, Beal JA (S), 617
- Oklahoma State Department of Health AIDS Task Force Recommendations to Date, March 3, 1987 (Sp), 13
- Pathogenesis of HIV infections. Mahanty S, Fine DP (A), 227
- Pregnant women in inner city at greater risk (N), 35
- Prevention of HIV infection. Harkess JR, Istre GR (A), 635
- Routine preop screening for HIV unwarranted (N), 231
- What about mosquitoes and saliva? Or, is the human immunodeficiency virus transmitted in other ways? Istre G (A), 399

ADENOIDECTOMY Personal observations regarding adenoidectomy. Resler DR (C), 349

AGING Demographics of aging in Oklahoma: implications for health care delivery. McFarlane DR (Sp), 77

AIDS UPDATE
- Adolescents and AIDS prevention. Johnson J, 735
- Clinical features of HIV infections. Mahanty S, Fine DP, 291
- HIV reporting in Oklahoma: guidelines for physicians and answers to common questions. Leavitt JK, Harkess J, Istre GR, 521
- Human retroviruses and AIDS. Gilcher RO, 159
- Infection control measures for human immunodeficiency virus (HIV): universal precautions. Rettig PJ, 575
- Modes of transmission of the human immunodeficiency virus. Istre GR, 355
- Pathogenesis of HIV infections. Mahanty S, Fine DP, 227
- Prevention of HIV infection. Harkess JR, Istre GR, 635
- What about mosquitoes and saliva? Or, is the human immunodeficiency virus transmitted in other ways? Istre GR, 399

AMERICAN MEDICAL ASSOCIATION (AMA)
- President's page. McIntyre RV (E), 340
- Registered care technologists get AMA delegates' attention (N), 643

ANAPHYLAXIS Anaphylaxis is a liability risk, advises letter from PLICO (N), 579

ANNUAL MEETING, OSMA
- Index to proceedings, 414
- OSMA delegates at Shangri-La elect officers (N), 403
- Proceedings, 413

ANOREXIANTS Acute vasospasm associated with anorexiant use. Kim I, Whitsett TL (S), 395

ASPERGILLOSIS Invasive pulmonary aspergillosis. Heaver HM (S), 133
